REPORT AND ORDER

ISSUED: March 17, 1999

SYNOPSIS

By this Report and Order, the Public Service Commission of Utah (the "Commission") grants the request of ECLIPSE COMMUNICATIONS CORPORATION ("Applicant"), for a Certificate of Public Convenience and Necessity ("Certificate") authorizing Applicant to provide local exchange services within the State of Utah, except within any local exchange with fewer than 5,000 access lines that is owned or controlled by an incumbent telephone corporation with fewer than 30,000 access lines within the State. The Commission, having considered the record in this proceeding and the applicable law, hereby makes, adopts, and enters the following Report and Order.

By the Commission:

PROCEDURAL HISTORY

U.S. West Communications, Inc. Since there appears to be no opposition, and Applicant has made out its *prima facie* case in support of the application, there appears to be no reason to convene an evidentiary hearing on the matter.
