

## - BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH -

In the Matter of the Interconnection Agreement between U.S. WEST COMMUNICATIONS, INC., and WESTERN WIRELESS CORPORATION	) ) ) )	<u>DOCKET NO. 99-049-30</u>  <u>REPORT AND ORDER</u>
--	------------------	--

ISSUED: October 29, 1999

By The Commission:

On July 13, 1999, the above-named parties, of a previously-approved interconnection agreement, submitted, for approval, an amendment to the same addressing issues of reciprocal traffic exchange and standard billing. The matter was referred to the Division of Public Utilities, Utah Department of Commerce, for review and recommendation, and that Agency filed a memorandum recommending approval September 10, 1999.

Since the matter has engendered no opposition, nor does it appear likely to do so, and since an evidentiary hearing appears to be superfluous, and since there appear to be no detriment to the public interest, we enter the following ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

- The amendment to the interconnection agreement between U.S. West Communications, Inc., and Western Wireless Corporation be, and it is, approved.
- Any person aggrieved by this Order may petition the Commission for review within 20 days of the date of this Order. Failure so to do will forfeit the right to appeal to the Utah Supreme Court.

DATED at Salt Lake City, Utah, this 29th day of October, 1999.
