DOCKET NO. 99-2202-01

REPORT AND ORDER

ISSUED: June 10, 1999

SYNOPSIS

The proposed amendment appearing to present no detriment to the public interest, the Commission approved the same.

By the Commission:

PROCEDURAL HISTORY

On March 1, 1999, ELECTRIC LIGHTWAVE, INC., and US WEST COMMUNICATIONS, INC., filed their joint petition seeking approval of an amendment to their existing interconnection agreement, previously approved by this Commission. The matter was referred to the Division of Public Utilities, Utah Department of Commerce (DPU) for review. On March 8, DPU filed its memorandum recommending approval.

Since the amendment appears to present no substantive change detrimental to the public interest, and has engendered no opposition, further evidentiary proceedings appear to be superfluous and of no help in the disposition of this matter. Accordingly, we propose to dispose of the matter summarily and enter the following
