IN THE MATTER OF THE PETITION FOR)	Docket No. 02-2254-01
AN ORDER TO SHOW CAUSE REGARDING)	
EXEMPTION FROM COMMISSION)	MOTION FOR AMENDMENT
REGULATION OF BOULDER KING)	OF PROCEDURAL SCHEDULE
RANCH ESTATES WATER COMPANY)	
)	

To: Presiding Administrative Law Judge Douglas C. Tingey

Boulder King Ranch Estates Water Company (“Boulder King”) respectfully moves for an order amending the procedural schedule previously established in this matter in order to allow Boulder King and the Division of Public Utilities (“Division”) additional time to negotiate and submit a stipulation and settlement concerning some or all issues that have arisen in this proceeding.

Since the Division submitted its testimony on December 31, 2003, the two parties have engaged in settlement discussions that could lead to agreement on the major issues. Additional time is necessary to complete the discussions and negotiations. The proposed hearing date also accommodates the vacation schedule of the Division’s primary witness.

Counsel for the Division, Patricia E. Schmid, has authorized Boulder King to represent that the Division concurs with the proposed extension of the procedural dates previously established in this case. The new dates would be:

March 21, 2003	Prepared testimony of Boulder King
March 28, 2003	Prepared responsive testimony of the Division
April 22, 2003	Hearing

Respectfully submitted this ___th day of February 2003.
