AND SEWER COMPANY regarding )  
Schedule of Rates, Rules )  
and Regulations )

DOCKET NO. 03-071-T01  
NOTICE OF CONTINUANCE  
OF HEARING

ISSUED: October 2, 2003

By The Commission:

A hearing in this matter was held on September 2, 2003. It was determined at that hearing that Wolf Creek Water and Sewer Company ("Wolf Creek") had not given timely notice to its customers of the hearing. As a result, the rate, rule and regulation changes proposed in this matter were not addressed. Also on September 2, 2003, a Procedural Order and Notice of Hearing was issued in this matter setting a hearing on Wolf Creek's application for October 6, 2003, and ordering Wolf Creek to send notice to each of its customers regarding that hearing no later than September 10, 2003.

On October 1, 2003, a letter was received by the Commission from Edwin Barnes, stating that he had been retained to represent a number of Wolf Creek customers, that there were a number of matters those customers wanted to bring to the attention of the Division of Public Utilities prior to the hearing, and requesting time to do that before a hearing is held. The letter also stated that Mr. Barnes is scheduled to be in a trial on October 6, 2003, and therefore could not represent his clients if the hearing is held that day. Mr. Barnes, on behalf of his clients, requested that the hearing be postponed for 45 days, and represented that the Division of Public Utilities did not oppose that request.

For good cause appearing, the hearing previously set for October 6, 2003, will be continued to November 18, 2003, at 9:00 a.m.
