MEMORANDUM

Date: April 30, 2004

To: Public Service Commission

From: Division of Public Utilities
Irene Rees, Director
Wesley Huntsman, Manager
Bary M. Golding, Analyst

Subject: Revised Recommendation
Wolf Creek Water Conservancy
Application for Certificate of Authority Docket No. 03-2417-01

Introduction

Wolf Creek Water Conservancy contacted the Division concerning the Division's recommendation filed with the Commission on April, 21, 2004 and informed the Division that the \$12.75 rate recommended was not in effect at the beginning of 2003. Upon further research the Division confirmed that the information on which its recommendation was based was erroneous. The Company's rate at the beginning of 2003 was \$15.00 per month.

Recommendation

The Division recommends that the Commission set the company's initial rates at \$15.00 per month flat rate. These interim rates should be approved pending the outcome of the final hearing which will be scheduled in June 2004. The Division recommends that the Commission approve Conservancy's certificate and initial interim rates under summary procedure.

All other recommendations contained in the Division's April 21, 2004 memorandum remain unchanged.
