MEMORANDUM

Date: October 30, 2003
To: Public Service Commission
From: Bary M. Golding
Public Utility Analyst
Subject: Wolf Creek Water Conservancy Certificate Application

The Division received the attached application for a certificate of convenience and necessity from Wolf Creek Water Conservancy (an irrigation company) and is forwarding the Company's request for Commission consideration. The company's \$100 check was already received by the Commission and assigned docket no. 03-071-02.

This company is a separate entity from Wolf Creek Water and Sewer Company. Although it is owned by the same principals, they are seeking a separate certificate for this irrigation company. This filing should be assigned a unique docket number separate Wolf Creek Water and Sewer Company.
