DOCKET NO. 04-2437-01
ORDER POSTPONING HEARING

ISSUED: November 4, 2004

By The Commission:

On October 14, 2004, the Attorney General's Office (AG) notified the Commission, that the AG, Division of Public Utilities (Division), and Bridge Hollow Water Association (Bridge Hollow) have agreed to suspend until further notice the hearing currently scheduled for November 9, 2004, and requested that the Commission order said suspension. The request indicated that Bridge Hollow has now filed an application for exemption from regulation and has provided the Division some of the required documentation in support of its application. The Division wishes to continue working with Bridge Hollow to perfect the application, but desires to be able to resume show-cause proceedings if necessary.

Therefore, notice is hereby given that the hearing previously scheduled to convene on November 9, 2004, is **postponed** until further notice. The Division shall provide a status update for this docket to the Administrative Law Judge not later than December 14, 2004.

DATED at Salt Lake City, Utah, this 4th day of November, 2004.

Administrative Law Judge
