Re: In the Matter of the Investigation of the Water System Operations of
Bridge Hollow Water Association for Certification as a Public Utility or
Exemption as a Mutual Water Company, Docket No. 04-2437-01

Dear Ms. Orchard:

This letter memorializes the agreement between the Attorney General's Office, the Division of Public Utilities (Division) and Bridge Hollow Water Association (Bridge Hollow) to suspend until further notice the hearing now scheduled for November 9, 2004 in this docket.

Bridge Hollow now has filed an application for exemption from regulation and has provided some of the documentation required to support the application. The Division wishes to work with Bridge Hollow to pursue the application, but also wishes to be able to resume proceedings in the above-referenced docket if necessary.

Accordingly, the Division requests that the hearing be delayed as requested above. Please call me at 366-0380 if you have any questions.

Sincerely,
/s/

Patricia E. Schmid
Assistant Attorney General
