To barbara G. Hjelle:

I am Mary Ann McDonnell, owner of Lots 16 and 18 of the Ranches subdivision of Dammeron Valley, Utah. I also own some water rights on both lots and share all your concerns as to who owns what and who can use those rights as well as how DVWW figures out its distribution costs.

Finally I signed a piece of paper that indicated that I did not have a Certificate of ownership but what I signed was not notarized. To my knowledge I have not legally signed my water rights to DVWW.

I agree with every syllable of your objection and send this letter to you for support.

Sincerely,

Mary Ann McDonnell

Dammeron Valley, Ut
