SUBJECT: Status Report on Dammeron Valley Water Works Conservation Rate

RE: Dockets 07-2025-T01

DATE: April 25, 2008

---

Based upon the hearing held on March 25, 2008, the Division of Public Utilities (Division), Dammeron Valley Water Works (Company) and Barbara Hjelle (Customer) participated in a telephone conference on April 11, 2008 where information regarding the notes to the tariff and discussion regarding the bulk irrigation rate were discussed. Various emails were received from the Company and the Customer over the past two weeks, which resulted in additional discussion and several modifications to the tariff notes. The Division, by May 1, 2008, will submit a final report on the tariff notes and the bulk irrigation rate.
