Re: Revised Tariff for North Fork Water Company, Case No. 08-2492-01

RECOMMENDATION:

The Division of Public Utilities recommends that the Utah Public Service Commission approve this revised tariff showing the clarification of the separate user fees for residential and commercial customers of the North Fork Water Company.

EXPLANATION:

The Division of Public Utilities received a revised tariff from Bruce C Jenkins; Register Agent for North Fork Water Company that shows the clarification of the separate user fees for residential and commercial customers that was issued in a proposed Order by the Administrative Law Judge in the hearing conducted on June 10, 2008.

After reviewing the revised tariff the Division finds that it is within the scope of the Order and therefore, recommends that the Commission approve this revised tariff of North Fork Water Company.
