Re: The purpose of this filing is to submit a tariff that correlate with the Commission's Report and Order in Docket No. 08-2498-01.

RECOMMENDATION:

The Division of Public Utilities recommends giving an extension of time for the approval of the proposed tariff.

EXPLANATION:

As part of the Report and Order issued by the Commission in Docket No. 08-2498-01, Canaan Springs Water Company was required to submit a tariff for their company. The Company submitted what they felt was an adequate tariff, but it did not meet the requirements under Rule R746-405-2. We have asked them to refile their tariff based on this rule and will review the revised tariff when it is received.
