Re: The purpose of this filing is to submit a tariff that correlate with the Commission's Report and Order in Docket No. 08-2498-T01.

RECOMMENDATION:

The Division of Public Utilities recommends that the Utah Public Service Commission should approve this tariff filing.

EXPLANATION:

As part of the Report and Order issued by the Commission in Docket No. 08-2498-01, Canaan Springs Water Company was required to submit a tariff for their company. The Division has reviewed this document and finds that it matches the prices in the tariff summary filed with the company's application for CPCN.
