Re: IN THE MATTER OF THE INCREASE OF RATES FOR CEDAR
POINT WATER COMPANY, DOCKET NO. 09-2404-02 / WAIVER OF 240-
DAY REQUIREMENT

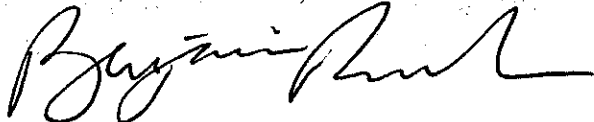

To Whom It May Concern:

On April 28, 2009, Cedar Point Water Company ("Cedar Point") filed its Application for Rate Increase including the applicable schedules with respect thereto (the "Application"), with the Public Service Commission of Utah (the "Commission") pursuant to Utah Code Anno. §§54-4-1, 54-7-12(2) and R746-405 of the Commission's Rules of Practice and Procedure. Since that time, the Commission has requested more information with respect to the Application, with which request Cedar Point is fully complying.

Pursuant to Utah Code Anno. §54-4-1, Cedar Point hereby waives any requirement for a decision within the 240 day statutory time period in Utah Code Ann. 54-7-12 for its proposed rate increase. Cedar Point needs more time to identify and update additional information requested by the DPU.

The DPU has indicated that it does not object to the waiver of the 240-day statutory time period requirement. If you have any questions concerning the above, please feel free to contact me at your convenience.

Very truly yours,
ROGER J. SANDERS, P.C.
