Hey Merilee,

here is the e-mail I got from DPU where they detailed what application they would be filing in docket No 09-2438-01

Hi Ruben,

Thanks for your help in getting this straightened out.

Shauna just sent the necessary documents to Merilee on behalf of Pineview to file a rate case. Assuming this will suffice as an official filing for a rate case, could you please schedule a hearing for Pineview West Water Company, DOCKET NO. 09-2438-01? We would also like the hearing date to include adequate time for public witness and comments. Once a date is set we will meet with the water company and go over our recommendations.

Please contact me if you have any questions or concerns.
