SUBJECT: Application in the Matter of the Request of Hidden Creek Water Company for a Rate Increase

RE: Docket No. 09-2440-01

DATE: September 14, 2009

STATUS REPORT:

Hidden Creek Water Company (Applicant) applied for a rate increase on July 8, 2009, but was lacking necessary information. The Division sent its first Data Request on August 6, 2009. The delay in sending our Data Request was to accommodate Hidden Creek Water Company's officer, Tracy Tanner, who was out of town for several days soon after filing the rate increase request, and needed additional time to gather the information. Upon receipt of the Data Request, Tracy Tanner has provided all documentation, and has been very cooperative and accommodating to all Division requests. Division personnel met with Tracy Tanner on

Wednesday, September 9, 2009 and reviewed and gathered the necessary information and documentation needed to perform an audit and analysis of the rate increase request.

The Division is still waiting for documentation regarding the sale of lots by the developer.
