Re: Amended tariff submitted by Willow Creek Water Company, Inc. for approval based on the information set forth in the proceedings on Docket No. 09-2506-01T.

RECOMMENDATION:

The Division of Public Utilities recommends that the Utah Public Service Commission should approve this amended tariff submitted by Willow Creek Water Company, Inc.

EXPLANATION:

During the hearing for the Willow Creek Company, Inc.'s CPCN and tariff, it was agreed that the company would make changes to their tariff, clarifying the allowable annual usage and overage charges. The company submitted an amended tariff. After reviewing the tariff, the Division finds that it complies with the modifications suggested during the proceedings for Docket Number 09-2506-01T.
