Re: Request for Time Extension in the case of Deepwater Distribution Company Exemption status
Docket No. 86-999-08

EXPLANATION:

The Division of Public Utilities is requesting a time extension of one hundred and twenty (120) days to complete the application for exemption from regulatory oversight submitted by Deepwater Distribution Company. The Division is currently waiting on the Division of Drinking Water to approve the company's water system, which in turn is waiting for information to come back from the company regarding well source protection and technical, managerial, and financial capability of the system.
