In The Matter of the Application of)

)	

Deepwater Distribution Company (“Deepwater”) hereby respectfully submits this Motion to Stay the Division of Public Utilities’ Request for Agency Action For an Order To Show Cause Requiring Deepwater Distribution Company, Inc., to Obtain a Certificate of Public Convenience and Necessity to Provide Service (“Order to Show Cause proceedings”) pending review and reconsideration of Deepwater’s request for exemption by the Utah Public Service Commission (the “Commission”).

On September 30, 2009, the Commission granted Deepwater's request for review and rehearing of Deepwater's request for exemption. Since resolution of Deepwater's request for exemption is a necessary precondition the Division's Order to Show Cause proceedings, the Commission should stay the Order to Show Cause proceedings until the Commission has completed its Review and Rehearing. Granting this stay is both an efficient use of the Commission's resources, and entails no prejudice to the Division.

Accordingly, for the foregoing reasons as well as those contained in the supporting memorandum filed concurrently herewith, the Commission should stay the Order to Show Cause proceedings pending review and rehearing of Deepwater's request for exemption.

DATED this 1st day of October, 2009.
