DOCKET NO. 10-2179-T01
REPORT AND ORDER

ISSUED: July 28, 2010

By The Commission:

This matter is before the Commission on Pine Valley Irrigation Company's (Pine Valley or company) request for approval of the tariff filed by the company on June 8, 2010. The Division of Public Utilities (Division) performed a review of the tariff and notified the Commission that the tariff failed to comply with our Rule and other governing statutes: "The filing only includes a single page with the new rates as approved on the Company's letterhead. It did not include the complete tariff in the approved format with the rules and regulation changes for reading of the meters and the capital reserve account." *Division Recommendation, p.1.*

The Division represented to the Commission that the company would file a corrected tariff within 30 days of the Division's July 1, 2010 recommendation.
