Dear Public Service Commission:

This letter is to serve as notice of the transfer of the water system of Durfee Creek Homeowners Association, and all assets associated with the water system, including an artesian well, a storage tank, a submersible pump, and water lines to Liberty Pipeline as of December 1, 2008. Also transferred were all water rights. Durfee Creek HOA retained ownership of the sewer system, consisting of a 25,000 gallon septic tank, 2 leach fields, and sewer pipelines.

Lot owners in Durfee Creek Homeowners Association now pay \$200 per year in annual dues to cover the sewer system, common ground maintenance, and administrative costs. Previously, the annual assessment was \$463.20, plus any overage charges for water usage. Lot owners now pay Liberty Pipeline Company \$28.50 monthly for water. Liberty Pipeline has higher gallon minimums before a surcharge is assessed.

Liberty Pipeline Company's contact information is:
