DATE: June 10, 2010

SUBJECT: In the Matter of the Provision of Service to Long Valley Estates Water Company by Kane County Water Conservancy District

RE: Docket No. 10-2265-01

STATUS REPORT:

On April 15, 2010, Kane County Water Conservancy District (KCWCD) notified the Public Service Commission of Utah that KCWCD was providing water service to Long Valley Estates residents, formerly served by Long Valley Estates Water Company (LVEWC). The Division contacted Randy Brown, of the KCWCD, to determine the disposition of the LVEWC. Long Valley Estate Water Company ceased its operations December 29, 2009. The Division is still awaiting documentation of the Bill of Sale and Assignment Agreement between KCWCD and LVEWC. The Division will make a recommendation to the Commission upon receipt of the disposition documentation.
