RE:

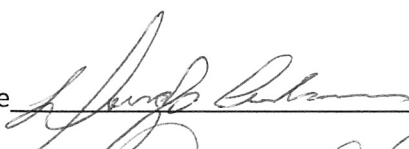

Request to Intervene Pursuant to Utah Code 63G-4-207  
In the Matter of the Investigation of the Water System Operation of Cedar Ridge Distribution Company for Certification as a Public Utility or Exemption as a Mutual Culinary Water Company  
Docket No. 10-2423-02  
ORDER TO SHOW CAUSE, Issued January 3, 2011

We hereby make a motion to intervene in the matter of the Investigation of the Water System Operation of Cedar Ridge Distribution Company for Certification as a Public Utility or Exemption as a Mutual Culinary Water Company. We are currently customers of the Cedar Ridge Distribution Company.

We are respectfully requesting to state our position that we do not wish to be made members, or owners of a "Mutual Culinary Water Company", which currently is named Cedar Ridge Distribution a non-profit corporation owned by David Z. Thompson. We do not agree to take on its ownership, liabilities, debts and failing infrastructure either by "gift" or by purchase. We have not asked for, nor consented to such an action. We wish to pursue annexing into Deweyville as a more viable option for our subdivision. We are in the process of obtaining the necessary paperwork and information to proceed with the annexation process.

Therefore, we respectfully request that consideration of grant of exemption as a mutual water company to the Cedar Ridge Water Distribution Company be denied at this time so that we may pursue annexing into Deweyville.
