RE:

Request to Intervene Pursuant to Utah Code 63G-4-207

In the Matter of the Investigation of the Water System Operation of Cedar Ridge Distribution Company for Certification as a Public Utility or Exemption as a Mutual Culinary Water Company

Docket No. 10-2423-02

ORDER TO SHOW CAUSE, Issued January 3, 2011

We hereby make a motion to intervene in the matter of the Investigation of the Water System Operation of Cedar Ridge Distribution Company for Certification as a Public Utility or Exemption as a Mutual Culinary Water Company. We are currently customers of the Cedar Ridge Distribution Company.

We are respectfully requesting to state our position that we do not wish to be made members, or owners of a "Mutual Culinary Water Company", which currently is named Cedar Ridge Distribution a non-profit corporation owned by David Z. Thompson. We do not agree to take on its ownership, liabilities, debts and infrastructure either by "gift" or by purchase. We have not asked for, nor consented to such an action. We wish to evaluate all options for our subdivision and have the opportunity to have a voice in selecting the option we feel is in our best interest.

We are actively involved in becoming informed about our options, and therefore, we respectfully request that any designation for the Cedar Ridge Water Distribution Company be deferred at this time so that we may pursue all options.
