**SUBJECT:** Complainants Response to Mountain Sewer's  
Supplement to Application for Interim Rate Increase dated  
May 16, 2012

**RE:** Docket No. 11-097-03

The Complainants object to the late filing by Mountain Sewer of a Supplemental to Application for Interim Rate Increase filed on May 16, 2012.

The late submission by Mountain Sewer of a Supplement to Application for Interim Rate Increase is in violation of the Scheduled Deadline/Date/Time/Location as set forth by the Commission on May 14, 2012. We submit that this supplement be stricken from consideration.

If the Commission does choose to consider accepting the late filing of the Supplement to Application for Interim Rate Increase, the

Complainants wish to point out that the legal team for Mountain Sewer has taken 10 months to prepare and present the Interim Rate Request, the General Rate Case and Special Assessment. The customers of Mountain Sewer should not be asked to pay one dime more for a loan by using the Capital Reserve Account due to a lack of preparation by the legal team of Mountain Sewer.
