Dear Mr. Gubler:

Subject: Water System Rating Change/Not Approved System #UTAH27069

Enclosed is a copy of the Improvement Priority System Report (IPS) which indicates that your system is generally not in compliance with the Division of Drinking Water Rules. Consequently, your water system **rating is hereby down graded to "Not Approved" effective immediately.**

We request that you review the enclosed report and rectify the identified issues.

If you have any questions, please call Patti Fauver at (801) 536-4196. Whereas most of the points are a result of infrastructure deficiencies, you may contact Kenneth Wilde at (801) 536-0048 to discuss what you will have to do to correct those problems.

Sincerely,

DRINKING WATER BOARD

Kenneth H. Bousfield, P.E.  
Executive Secretary
