Re: In the matter of the Application of Waterpro Inc. for a Culinary Water Rate Case, Docket No. 12-2443-01.

On July 9, 2012, WaterPro filed a request for a culinary water rate increase. The Division of Public Utilities (Division) has reviewed the information filed by Waterpro in its rate case application and has verified that it is a complete filing per R746-700-50.

The Division requests that the Utah Public Service Commission hold a scheduling conference in this matter.
