RE: Docket 12-2443-01

Enclosed page 6 of the WaterPro Tariff reflecting the requested new Engineer Plan Review Fee, Engineering Fee, updates to our Hot Tap and Fire Line fees.

Enclosed is a clean copy of our page 6 WaterPro Tariff reflecting these changes if approved.

Enclosed is a copy of the letter sent out to our Developers and Residences of the WaterPro service area on proposed changes.

The Engineer Plan Review fee is being updated to \$650 plus \$.50/foot over 500 feet of pipe. Engineering fee \$580.00. These fees are to reflect the actual costs that WaterPro incurs from the engineers.

Hot Tap & Fire Line changes include adding the words inspection and per visit. No changes to fee currently being charged.

Enclosed are five copies and the required documents and electronic version has previously been emailed to the Commission.

Sincerely,

Darrin L Jensen-Peterson
CEO / General Manager
