**TO WHOM IT MAY CONCERN:**

Our Community needs water rates we can all live with and have Rod Dansie out of the picture. We need your help! We have lived in HiCountry Ph1 for 37 years and been in litigation with Rod Dansie and family for most of those years mainly over water issues ,Well Lease Agreement ,Water Ownership not to mention the personal lawsuits, etc. Our HOA have spent thousands upon thousands of dollars defending what was ours to begin with. Rod Dansie is well known for his delay tactics. We deserve to see the day that this " Black Cloud" will no longer be over our heads. It has been a long expensive road we've been on for so many years and hopefully it will soon come to an end. We will be forever grateful if you can make this happen.

THANK YOU,  
Joe and Elmira Totorica
