

- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH-

In the Matter of the Formal Complaint of
Duncan, Gavril, Workman, Bates et al.
Against Eagle's Landing Water Company,
LLC

DOCKET NO. 13-2477-02

REQUEST FOR REVIEW
OR REHEARING FOR
TREVOR & JESSICA BUTTERFIELD

Pursuant to Utah Code Ann. 63G-4-301 and 54-7-15, we respectfully request a Review or Rehearing of the Commission Order requiring us to pay the remaining \$1,000 balance for a meter set fee.

In support of this request we state...

1. Some information was presented incorrectly at the hearing concerning who the original owner is for the home and lot #68.
2. I, Jessica Butterfield, incorrectly stated that we were the original home owners located on the lot # 68, when in fact we are the second owners of the home. The original owner of the home and lot is Knight West Construction Company. (See Exhibit Real Estate Purchase Contract).
3. Knight West Construction Company had ownership of the home and lot # 68 when facilities were installed and the meter was set.

In the Order from the Commission it states, "The \$4,000 meter set fee does not apply to customers who became owners of the subject property after the facilities were installed and the meter was set". (Page 23) In light of that Order, we request that because we are not the original homeowners, we be dismissed in being held responsible for the remaining \$1,000 balance for the meter set fee.

Sincerely, Trevor & Jessica Butterfield

Jessica Butterfield
