)

ISSUED: August 9, 2013

By The Commission:

NOTICE OF SUPPLEMENTAL HEARING

In light of the public witness comments and testimony provided at the August 1, 2013, public witness hearing, the Commission wishes to hold a supplemental hearing to allow interested parties, including any public participants who wish to participate, an opportunity to further address their positions about customer concerns that their “water shares” are allegedly affected by the proposed general rate increase. Notice is accordingly given that a hearing will be conducted by the Administrative Law Judge for the Utah Public Service Commission on **Tuesday, August 20, 2013, beginning at 12:00 p.m. (MDT)**. The hearing will be held in the **Fourth Floor Hearing Room 451**, Heber M. Wells Bldg., 160 East 300 South, Salt Lake City, Utah. The Commission requests that both the Division and Willow Creek Water Company (“Company”) come prepared to address the current tariff (Tariff No. 1) and whether the general rate increase proposed by the Company will have any bearing on the “shares of common stock in the Company” owned by the customers as stated in the tariff. Additionally, the Commission requests both the Division and the Company address the commitments to fund the water system stated in the original hearing establishing the basis for issuance of the Company’s certificate of convenience and public necessity in Docket 09-2506-01, as follows:

The Company stated that its rates will not recoup capital costs of the water system, but were only meant to recoup operational expenses. The Company stated that the capital costs will be recovered through the sale of lots in the Subdivisions. The Company also stated that the costs have been completely paid for and there is no debt associated with the construction of the water system.

The Company is instructed to provide a copy of this notice to each of its customers by **Thursday, August 15, 2013**.

All parties attending are encouraged to be represented by legal counsel. Parties desiring to be represented by counsel may be represented by local counsel, joined by local counsel, or otherwise admitted by a motion *pro hac vice* pursuant to Commission rules (Utah Admin. Code R746-100-6(B)). Instructions for *pro hac vice* admission can be viewed on the Commission website at:
