RE: Docket No. 14-010-T01

In the Matter of Highlands Water Company Inc.'s
Request for Tariff Revisions

To Whom It May Concern:

The Commission has reviewed the proposed tariff revisions filed on February 25, 2014.

On March 12, 2014, the Division of Public Utilities ("Division") recommended the Commission approve the above tariff. Based on the analysis provided by the Division, the Commission approves the tariff and notes that based on its filing date, the tariff became effective March 27, 2014.

Soderby LLC filed a protest to this proposed tariff on March 13, 2014. After reviewing the protest, the issues raised there are issues of contract interpretation of a 2007 well construction and easement agreement between Highlands Water Company, Inc. and Soderby LLC. The Commission concludes the protest is not a basis for denying the tariff.

Sincerely,
