Re: Withdrawal of tariff filed on May 15, 2014 in Docket 14-2195-T01

To whom it may concern:

Hi-Country Estates Homeowners Association (the "Company"), on May 15, 2014, filed a revised tariff entitled Tariff No. 2 with the Commission in the above-noted docket. The Company, after receiving comments from the Division of Public Utilities and the Commission, and participation in the Commission hearing held on July 8, 2014, desires to withdraw that previously-filed tariff.

The Company is currently working with the Division of Public Utilities to make revisions to the Company's tariff to comply with discussions and negotiations held with the Division of Public Utilities. The Company intends to revise its tariff such that the revised tariff is fully supported by the Division of Public Utilities. The Company expects to file a revised tariff with the Commission by the end of July.

Please consider the tariff filed on May 15, 2014 to be withdrawn in expectation of filing a revised tariff. Please contact us if there are any questions.

Sincerely,
SMITH HARTVIGSEN, PLLC
