BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

**In the Matter of the Application of
Community Water Company for Approval
of General Rate Increase**

Docket No. 15-098-01

**THE DIVISION OF PUBLIC UTILITIES'
RESPONSE TO COMMUNITY WATER
COMPANY'S MOTION TO DIMISS**

Pursuant to Utah Code Ann. §54-7-1 and Utah Admin. Code r746-100, the Utah Division of Public Utilities (“Division”) submits this Response to Community Water Company’s Motion to Dismiss. The Division does not oppose the Motion to Dismiss.

Community Water Company, LLC (“CWC”) filed a motion and memorandum in support of that motion to dismiss CWC’s Rate Case before the Utah Public Service Commission (“Commission”) so that CWC could have time to adequately explore other alternatives. The Division does not oppose CWC’s motion to dismiss the current rate case. However, if CWC fails to make adequate progress in the evaluation of other alternatives in a reasonable time period, the Division, pursuant to the Division’s authority under Utah Code § 54-4a-1, will initiate

a case to ensure CWC has adequate revenues to maintain services to its customers.
