In the Matter of Storm Haven Sewer Company and Storm Haven Water Company, Inc. Cancellation of Certificates of Public Convenience and Necessity	<u>DOCKET NO. 16-014-01</u>
In the Matter of the Certificate of Public Convenience and Necessity of Storm Haven Water	<u>DOCKET NO. 05-014-01</u> <u>ORDER CANCELLING</u> <u>CERTIFICATE OF PUBLIC</u> <u>CONVENIENCE AND NECESSITY</u>

ISSUED: May 2, 2016

BACKGROUND

On or about April 14, 2016, the Public Service Commission of Utah (Commission) received a letter from Epic Engineering, P.C., which serves as the city engineer for the town of Daniel, Utah. According to the letter, Storm Haven Water's operations and infrastructure have been turned over to the town.

On April 27, 2016, the Division of Public Utilities (Division), having reviewed the April 14, 2016 letter and all attendant circumstances, filed a memorandum in this docket. In the memorandum, the Division noted that a water system that is owned and operated by a town does not meet the definition of a public utility. Utah Code § 54-2-1(32). Therefore, the Division recommended that the Commission cancel Storm Haven Water's certificate of public convenience and necessity.

ORDER

Based on the foregoing, certificate of public convenience and necessity 1790, which was issued to Storm Haven Water in May of 2005, Docket No. 05-014-01, is canceled.
