**Subject: Petition to Intervene in Adjudicative Proceedings Dockets No. 16-098-01**  
**Hand Delivered May 2, 2016 To Commission Office**

Commission Representative:

My name is William Grenney. I am submitting this signed Petition for myself so that I can be granted intervener status for the pending rate increase case for Community Water Company LLC Docket 16-098-01. I am a full-time resident of a single-family home in Park West Village (3965 Village Rim Rd) which is served by Community Water Company. I am a retired registered professional Civil Engineer and I was Professor of Civil and Environmental Engineering at Utah State University from 1972 to 2005. My Professional Registrations in Utah, Colorado, and Oregon are in retired non-active status. As a resident of Park West Village I have a personal interest in Docket 16-098-01. I have also volunteered my services to represent single-family homeowners in the neighborhood.

At this time, the relief sought by intervening is to obtain access to the documents supporting the rate increase contained in the Docket, to review these documents thoroughly and to conduct an

independent analysis of the impacts to the Park West Village single-family homeowners. After conducting this analysis, further efforts may be warranted including working with the division and participation in the formal hearing proceedings.

In addition to petitioning for intervener status, I am also requesting access to Community Water's 2015 Annual Report and 2015 Gross Revenue Reports. These reports are crucial in understanding the financial condition of Community Water Company and how it relates to the proposed rate increase.

I have read Rule R746-100-16 governing use of confidential information and have completed and signed the Confidential Information Certificate for 16-098-01. This signed certificate is included in the hand delivered, signed Petition to the Public Service Commission of Utah.

Please don't hesitate to give me a call if you have any questions regarding this petition. I can be reached at 435.214.7264 (home), 435.881.3429 (cell), or [wgrenney@gmail.com](mailto:wgrenney@gmail.com).

Respectfully,

/s/ William Grenney

William Grenney PhD, PE
