Subject: Petition to intervene in Adjudicative Proceeding Dockets No. 16-098-01

Commission Representative:

My name is Van J. Martin. I am submitting this signed Petition for myself so that I can be granted intervener status for the pending rate increase case for Community Water Company LLC Docket 16-098-01. I am the owner of a home in Park West Village located at 3935 Village Rim Rd which is serviced by the Community Water Company. I have been an owner on the system since 1975. I am a retired environmental planner and was for the last 28 years the water system operator and General Manager of the Summit Water Distribution Company. While there I helped negotiate the original service agreement between the Community Water Company and the Summit Water Distribution Company. I along with William Grenney and Art Brothers am a volunteer representing single family homeowners of Park West Village.

I am seeking intervener status so as to have access to all important water system information. It is my belief that having this information will enable us to aid in modifying the water company’s structure so that it can be more responsive to and better serve all its end users.

I have read Rule R746-100-16 governing use of confidential information and have completed and signed the Confidential Information Certificate for 16-098-01. This signed certificate is included with the signed Petition to the Public Service Commission of Utah.

Please don't hesitate to give me a call if you have any questions regarding this petition. I can be reached at 435.901.8788 (cell), or van.deepshade@gmail.com.

Respectfully,

/s/ Van J Martin
