Subject: Petition to Intervene in Adjudicative Proceeding Docket No. 16-098-01

HAND DELIVERED October 3, 2016 TO COMMISSION OFFICE

Commission Representative:

My name is Guy Rawson. I am submitting this signed Petition so that I can be granted intervener status for the pending rate increase case for Community Water Company—Docket No. 16-098-01. I am currently the Vice-President of the Hidden Creek Homeowners Association (HOA). Our HOA represents a significant portion of the impacted customer base in the Service District of Community Water Company. Based upon a very preliminary review, the proposed rate increase represents a significant increase to the homeowners in the HOA as well as all other customers in the Service District, and as such warrants as significant effort to better understand the full impacts of this proposal before the Public Service Commission.

At this time, the relief sought by intervening is mainly to obtain access to the documents supporting the rate increase contained in the Dockets, to review these documents thoroughly and to conduct an independent analysis of the impacts to the our HOA. After conducting this analysis, further efforts may be warranted including participation in the formal hearing proceedings. Copies of this request are being sent to the “parties” of the rate case.

Please give me a call if you have any questions regarding this petition. I can be reached at 713-408-3918 or 808rawson@gmail.com.

Respectfully,

Guy Rawson
