Re: **WATERPRO TARIFF No. 2** - Utah Docket No. 16-2443-01, TARIFF REVIEW: In the Matter of a Review for Compliance of WaterPro's Tariff No. 2 submitted to the Public Service Commission on August 22, 2018.

Recommendation (No Action Required)

The Division of Public Utilities (DPU) reviewed WaterPro's Tariff No. 2 submitted to the Public Service Commission (PSC) on August 22, 2018 and found no changes from the Tariff Approval letter issued by the PSC on August 17, 2018. The DPU contacted WaterPro executives to clarify the reason for the newly submitted tariff. Their response was they were simply providing the Commission with an updated copy of the newly approved tariff. They were not requesting any additional revisions to the tariff. The DPU recommends no further action with this issue.
