Subject: Petition to Intervene in Adjudicative Proceeding Docket No. 17-098-01 16-098-01, 15-098-01, No. 14-098-01

EMAILED ON SEPTEMBER 18,2017 TO COMMISSION OFFICE

Commission Representative:

My name is Francis Amendola. I am submitting this signed Petition so that I can be granted intervener status for Docket No. 17-098-01 for Community Water Company (CWC), and the previous related Dockets 16-098-01 15-098-01 and 14-098-01 also for Community Water Company. I continue to work on this rate case, and receive information from the proponents. Mr. Terry Lange, President of the Red Pine Homeowners Association (HOA) and Ms. Leanne Miller of the Hidden Creek HOA have retained my services to assist the HOAs in evaluating the impacts of the rate case to their HOAs. Red Pine HOA and Hidden Creek HOA represent a significant portion of the impacted customer base in the Service District of Community Water Company. I supported the HOAs efforts in evaluating the impacts of previous cases covered under Dockets 16-098-01 15-098-01 and 14-098-01, and met with the Division of Public Utilities during those rate cases to provide input. Any newly proposed rate could represent a significant impact to the homeowners in the Red Pine and Hidden Creek HOAs as well as all other customers in the Service District of CWC.

At this time, the relief sought by intervening is mainly to obtain access to the documents supporting the rate increase contained in the Dockets, to review these documents thoroughly and to conduct an independent analysis of the impacts to the Red Pine and Hidden Creek HOAs. After conducting this analysis, further efforts may be warranted including working with the Division as well as participation in the formal hearing proceedings. I will provide the background analysis so that the HOAs can decide how best to proceed. Mr. Terry Lange is available to confirm my support role. He can be reached at 651-231-0052 or via email at tlange55@comcast.net. Copies of this request are being sent to the parties on this docket.

Please give me a call if you have any questions regarding this petition. I can be reached at 435-640-7030 or fa-optionA@comcast.net.

Respectfully,

Fran Amendola
