Request for Intervener Status

Subject: Petition to Intervene in Docket # 17-098-01

My name is William Grenney, I am a customer of Community Water Company (CWC). I respectfully seek intervener status for the pending rate case involving CWC (**Docket 17-098-01**). I have been granted intervener status in earlier rate cases filed by CWC.

Single-Family Homes in our subdivision have no active HOA to represent them. Over the past several years I, and two other single-family property-owners in Plats A and B of Park West Village (all of whom are served by CWC), have met regularly with representatives of CWC and neighboring condo HOA representatives in an effort to find an economically viable way to assist the company in continuing to provide water at reasonable cost to its subscribers. To continue to help in that process, I respectfully request intervener status be granted in **Docket 17-098-01**.

I have read **Rule R746-100-16** governing the disposition of confidential information and stipulate to and agree to be bound by it should this petition to intervene be granted.

Please contact me if you have any questions.

Respectfully,

William Grenney
