In response to the order issued by the Utah Public Service Commission (the “Commission”) dated May 14, 2018 (the “Order”), in the above referenced matter, the Company hereby submits Tariff No. 4 together with the below statement and request.

STATEMENT AND REQUEST

The Company has filed herewith Tariff No. 4 incorporating the recommendations of the Division of Public Utilities (the “DPU”). The Commission in the Order found that the DPU’s recommendations are “just reasonable and in the public interest.” Tariff No. 4 adopts in full, without modification, the DPU’s recommendations. Absent approval of Tariff No. 4 within the next

10 days, the Company will likely need to restrict water usage. Your prompt attention to this urgent matter is appreciated.

The Company requests the Commission approve Tariff No. 4 to become effective retroactively to June 1, 2018 without further delay. To the extent necessary, this filing shall also constitute written notice for review and rehearing.

DATED this 8th day of June 2018.
