### RECOMMENDATION

The Division of Public Utilities (Division) recommends that the Utah Public Service Commission (Commission) approve Community Water's updated tariff (Tariff No. 4) filed on June 14, 2018.

### EXPLANATION

On May 14, 2018 the Commission directed Community Water Company (CWC) to file proposed tariff revisions consistent with Division recommendations in Docket No. 17-098-01. On June 8, 2018 CWC submitted Tariff No. 4 as directed by the Commission. On June 14, 2018 CWC filed a revised Tariff No. 4 to add additional clarifying language. The Division has reviewed CWC's revised Tariff No. 4 received June 14, 2018, and the Division has verified that all rates, charges and wording comply with the Commission's May 14, 2018 Report & Order in Docket No. 17-098-01. The Division agrees that an effective date for Tariff No. 4 of June 1, 2018 is acceptable.
