Re: *Application of Community Water Company for Approval of General Rate Increase and Special Charge for Major Plant Upgrade/Repair; Docket No. 17-098-01, Proposed Tariff Modifications*

Dear Mr. Atwater,

The Public Service Commission (PSC) reviewed the proposed Tariff No. 4 and updated Tariff No. 4 (Updated Tariff) filed by Community Water Company (Community Water) on June 8 and June 14, 2018, respectively. Community Water requests an effective date of June 1, 2018 for the proposed tariff modifications. The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) on June 14, 2018.

The DPU states it verified that the rates, charges, and wording in the Amended Tariff comply with the PSC's May 14, 2018 Report and Order in Docket No. 17-098-01 and, therefore, recommends the PSC approve the Updated Tariff. The DPU states Community Water's proposed Tariff No. 4 effective date of June 1, 2018 is acceptable.

Based on the PSC's review of Community Water's filings, the recommendation of the DPU, and there being no opposition, the PSC approves Community Water's Updated Tariff No. 4 with an effective date of June 1, 2018. This effective date is consistent with the PSC's May 14, 2018 Report and Order.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
