Re: Lot 330-UMR - Delinquent Water Bill
"Termination Notice"

Mr. and Mrs. Olsen:

This is a notice of termination of water service. There was a notice left on your door in the UMR -330. Your tenant was inside but would not come to door. You have violated the second agreement with you, which you have failed to abide by. The balance must be paid in full on or before Tuesday, May 9, 2017. Mail to our office South Duchesne Culinary Water Inc. P.O. Box 294 Duchesne, UT, 84021. I would suggest over-night mail to avoid termination and additional fee.

Your account can no longer be in arrears. The last payment received from you was March 1, 2017. You were 7 months behind...when you sent that payment to SDCW which did not pay the balance owed. The balance at this time is \$165. Including late fees = TOTAL Delinquent \$165.00

TOTAL Delinquent \$165.00... This balance must be paid on or before Tuesday May 9, 2017. CUT OFF ...Tuesday Evening. There will also be re-connect fees if terminated and the contract based upon new terms. When you pay balance.... Per new agreement, July-Dec 2017=\$240., then you will be paid through Dec.31, 2017.

We attempted to help you by placing you on a quarterly payment, but you failed to pay that. Due to years of delinquent payment, you must pay 6 months in advance....\$180. After this delinquent amount is paid, we will prepare new contract regarding 6 month payment.
