Tanya Kaufman Olsen Well, most of these Judges have these people figured out. All their excuses run dry, and in the end, they don't stand a chance. Good Luck!-- What County are you evicting in?

Tanya Kaufman Olsen Thank you, Ernie! Now on to the Order of Restitution for breaking his contract. He most likely will have to pay for the remaining months of the contract, or until it gets re-rented. It's a no win for this Joker.

Phyllis Seals Sad you had to go to court to get them out, I too had to get a 3 day squat order once. Some people just don't do the right thing.
