Request for Exemption for Community Water Company	<u>DOCKET NO. 18-098-01</u> <u>NOTICE</u>
---	--

ISSUED: October 24, 2018

On July 25, 2018, Community Water Company (“CWC”) filed a Request for Exemption, representing that CWC has entered into an Annexation and Asset Acquisition Agreement with Mountain Regional Water Special Service District and would cease being a public utility upon closing of the agreement. On August 22, 2018, the Division of Public Utilities (“DPU”) filed a memorandum in this docket, representing “there are outstanding items necessary to finalize the annexation” and recommending the Public Service Commission (“PSC”) refrain from canceling CWC’s certificate of public convenience and necessity until the DPU has confirmation the annexation has closed. To date, no party has filed a document with the PSC in this docket to confirm the annexation has occurred or otherwise to apprise the PSC of the transaction’s status.

The PSC gives notice it will take no further action in this docket until and unless a party files confirmation the annexation has taken place or otherwise requests action from the PSC.

DATED at Salt Lake City, Utah, October 24, 2018.
