Re: *Application of McBride Enterprises/Pine Meadows PUD for Exemption,*
Docket No. 18-2606-01

Dear Mr. McBride:

The Public Service Commission (“PSC”) has reviewed McBride Enterprises/Pine Meadows PUD’s (“Pine Meadows”) August 24, 2018 request for exemption from PSC regulation. The PSC has also reviewed the September 24, 2018 comments filed by the Division of Public Utilities (“DPU”) and a public comment filed on August 31, 2018.

The DPU recommends the PSC take no action concerning the exemption requested by Pine Meadows since it is a customer of Ashley Valley Water rather than a public water utility, and therefore is not required to be regulated or granted a letter of exemption by the PSC.

The PSC accepts the DPU’s recommendation in this matter.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
