RE: Utah County Business License Requirements and Exemptions

Dear Mr. Bramwell;

Thank you for inquiring about the regulations regarding a business license for North Fork Cottages Water Company, Inc. In your request you stated that the company is a mutual benefit nonprofit water company and that the location is "where the water works exists."

The issuance of a business license is regulated by Utah County Code, Chapter 11, Licenses and Business Regulations. Section 11-1-3 exempts nonprofit (charitable) organizations and public utilities from the requirements for and the receiving of a business license. All other applicable requirements of the Utah County Land Use Ordinance, Utah County Code, and Utah Code must be met.

If you have any questions, please feel free to contact me at peggyk@utahcounty.gov or 801-851-8353.

Regards,
